IN MEMORY

A gift In Memory of a loved one or friend is a positive way to celebrate their life and show how much that person meant to you. Through the years many of our Janeway families and friends have made donations In Memory to not only, remember a special person, but to help in the care of our children.

The Janeway Children’s Hospital Foundation appreciates the generosity and kindness of those who made donations In Memory December 2012/January 2013
